

Fascination

It was fascination
I know
And it might have ended
Right then, at the start
Just a passing glance
Just a brief romance
And I might have gone
On my way
Empty hearted

It was fascination
I know
Seeing you alone
With the moonlight above
Then I touch your hand
And next moment
I kiss you
Fascination turned to love

It was fascination
I know
Seeing you alone
With the moonlight above
Then I touch your hand
And next moment
I kiss you
Fascination turned - to - love
